

# ATTENTION COLORADO EDUCATORS!

## PARTICIPATE IN STATE ASSESSMENT DEVELOPMENT MEETINGS

Virtual and in-person opportunities – travel reimbursements and lodging provided\*  
Earn professional development hours for re-licensure

Colorado Measures of  
Academic Success  
(CMAS)

Colorado Alternate  
Assessment  
(CoAlt)

Districts are reimbursed for substitute expenses, or teachers are paid a daily honorarium if a substitute is not needed (up to \$320/day).

**Colorado educators are essential to every step of the CMAS and CoAlt development process!**

State assessment development meetings co-facilitated by the CDE Assessment Development Unit and Pearson:

### Language Arts Passage Review

Review passages to determine their appropriateness for inclusion on the English Language Arts/Literacy and Colorado Spanish Language Arts (CSLA) assessments.

### Science Storyboard Review

Review simulation storyboards to determine their appropriateness and provide feedback on inclusion of these simulations.

### Item Writer Workshop

Write assessment items aligned to the Colorado Academic Standards.

### Content and Bias Review

Review newly developed items to verify the content of each item aligns to the Colorado Academic Standards and is free of potential bias (using educators' content expertise and varied backgrounds).

### Rangefinding

Review student answers to constructed response items to determine the range of acceptable responses for each item.

### Data Review

Review item response data for items that appeared on the previous spring's assessments.
