## Welcome to Family Connection!

Welcome to Family Connection by Naviance!

Magnet Lab School's Family Connection site is designed to assist our students with college and career planning. Utilizing the tools in the tabs above will help you to set [future goals](#) for yourself, build a personal [resume](#) that can help you to get a job or assist your teachers in writing your letters of recommendation, identify [careers](#) of interest based on questionnaires and personality surveys, and [search for colleges](#) that will enhance your education and allow you to achieve your goals.

We will help you explore your career goals, find your best fit in a college or university, and explore college visits and enrichment programs that can help you to figure out where you want to be and what you want to do come graduation year.

Please check out the resources in the tabs above and the links below and reach out to your academic counselor with any questions or ways in which we can better assist you in achieving your goals!

[Roadtrip Nation](#) content: The Roadtrip Nation interview archive is a digital career exploration tool that enables students to discover new pathways, interests, and ambitions. The archive includes more than 3,500 full-length video interviews chronicling the diverse personal stories of leaders who have turned their interests into their life's work.

[Resume Builder](#): Includes quick tips on completing a resume and thinking about future opportunities to help build the resume

[Career Cluster Finder](#): The Career Cluster Finder is a questionnaire that helps students discover career clusters that are most interesting to them. Once you complete the Career Cluster Finder, top matching career clusters can be added to your Favorite Careers and Clusters list.

[Game Plan Survey](#): The Game Plan survey is a great way for you to let your counselor know a little bit about yourself, your goals, and your plans for high school and beyond. Your answers can be updated overtime so you can always come back and make adjustments.
